

Kent County Athletic Association, Cross Country Leagues

2017-2018 Season Rules and Information

The League competitions will be held under UKA Rules.

1. Age Categories.

All Competitors must be Under 13, Under 15, Under 17, Under 20, or Over 20, as stated in the UKA Rules for Competition for the event in which the athlete competes, summarised below. The Competition Year extends from 1st October to 30th September in the following year.

- (i) Under 13 Boys and Girls: competitors who are aged 11 on the day of competition, or 12 on 31st August prior to the commencement of the Competition Year (PCCY) as defined above.
- (ii) Under 15 Boys and Girls: competitors who are aged 13 or 14 on 31st August PCCY.
- (iii) Under 17 Men and Women: competitors who are aged 15 or 16 on 31st August PCCY.
- (iv) Junior Men and Women: competitors who are aged 17, 18 or 19 on 31st August PCCY.
- (v) Senior Men and Women: competitors who are aged at least 20 on 31st August PCCY. Junior Men and Women may compete in Senior events as appropriate and subject to the maximum distances for their age group not being exceeded.
- (vi) Veteran Men: competitors who are at least 40 years of age on the date of the competition.
- (vii) Veteran Women: competitors who are at least 35 years of age on the date of the competition.

2. Qualification.

The leagues will be open to clubs and schools affiliated individually to the Kent County A.A., or schools affiliated with the Kent Schools A.A. For insurance purposes, clubs must also be affiliated to England Athletics.

Individual athletes who compete in the leagues must be registered with England Athletics and their affiliation fee for the competition year must have been paid by their first claim club. This does not apply to young athletes competing for school teams.

Each age group will compete in separate leagues. Athletes may compete for their second claim club within Kent, provided that their first claim club has not entered the league. Athletes cannot compete for more than one club in any one season.

Athletes who are in the process of changing clubs at the start of the season cannot contribute to their new club's team score until the change of club has been ratified by England Athletics. Until such time the athlete's team will be annotated in the results as "clubchange".

3. Fixtures.

There will be five meetings with each age group having separate competitions. At the Referee's discretion, and in order to allow the smooth running of the programme, age groups, but not sexes (except Male Vet 70 with Senior Women), may be merged and/or times of races altered. It is up to Team Managers to ensure that their athletes are made aware of any changes. There will be a separate competition for Males over 70 years. This will be run at the same time as the Senior & Veteran Womens' race over 5000m.

6. Race Numbers.

A set of numbers will be provided at the first fixture only. These must be retained for the season. U20 runners will wear a "J" letter on their back to assist identification. A list of potential competitors must be entered on the Entry Form and returned to the Entry Secretary, together with fees at least two weeks before the first meeting, in order that numbers can be allocated. See below for address details.

Replacement numbers must be clear and in black to assist Officials.

Race numbers are strictly non-transferable. Unregistered competitors who compete using another person's race number will be disqualified.

7. Scoring.

Team Scoring:

Team scores for each race are based on the sum of the finish positions of the qualifying team members. Match points are awarded by giving one match point to the last placed team, then incrementing by one for each remaining team, with the winning team receiving the maximum points. If two (or more) teams tie on finish positions, the relative position of the last placed finisher in each team will determine the order for awarding match points.

Young Athletes Leagues : Any number may enter with the first three runners to finish scoring.

Senior Womens' League : Any number may enter with the first three runners to finish scoring towards the League Trophy and the first six to finish scoring towards the Six-to-Score Trophy. Senior and Veteran Women will combine for team results.

Senior Mens' League : Any number may enter with the first four runners to finish scoring towards the Kent Messenger Cup and the first twelve to finish scoring towards the Duodec Trophy. Senior and Veteran Men (but not including Male Veteran 70+ category) will combine for team results.

There will be no "B" teams in any League.

Team League Scoring.

Team League placings will be determined using the following rules of precedence:

1. The number of team finishes throughout the season.
2. The total match points.
3. The total team score (lowest is best).

If there is a tie for first team place, the award will be made jointly and each club will hold the trophy for 6 months.

To qualify for the Most Improved Club award a Club must have scored match points in at least four of the eight Male and Female Young Athlete team categories, within that season.

Individual Scoring.

Individual league placings will be determined using the following rules of precedence:

1. The number of league finishes.
2. The sum of finish positions from all races (race score), lowest is best.
3. The best individual performance * compared to other athletes who are tied on race score.
4. The aggregate finish time for all races compared to other tied athletes, lowest is best.

* If two athletes share the same best individual performance, then the next best individual performance will be considered, and so on...

The Awards for both First Team and First Individual will be over all four matches. If no team/individual completes all four fixtures, then the best team/individual over three fixtures (but not less than three), will win. This rule concerns first places only and does not apply to the Senior Mens' League whose awards will continue to be over all four matches.

8. Awards.

10. Race organization and remuneration.

The Host Club will be responsible for: obtaining England Athletics Race Permit; Course measuring & marking and toilet facilities. Changing facilities (if available) and refreshments may be provided at the discretion of the Host Club.

The League Organising Committee (not the Host Club) will be responsible for: booking the First-Aid contractor for all fixtures.

11. Remuneration.

KCAA will reimburse the Host Club for costs incurred in respect of the hire of facilities, including the provision of mobile toilets (if required), providing this does not exceed £300. **Host Clubs to obtain quotes/details of the cost of hire prior to booking the venue and submit to the County Treasurer for approval (treasurer@kcaa.org.uk).**

KCAA will be responsible for the cost of First Aid cover.

12. Results.

Results will be published on the KCAA website, as soon as practicable after each meeting.

13. Trophy responsibilities.

Clubs will be responsible for all trophies awarded to their teams and/or individuals, and for ensuring that they are returned, cleaned and engraved, for re-presenting.

Trophies should be returned by the third fixture in the season at the latest.

14. Manager's meeting

There will be a meeting of Team Managers following the final fixture to discuss any aspect of the League structure for the following season.

15. Acceptance.

Clubs competing in the Leagues are deemed to have agreed to the above Rules.
