Kent County Cross Country

Sat 6th Jan. 2024

Brands Hatch

The courses are almost entirely on grass, with only a couple of gravel tracks to be crossed. After heavy rain the gravel tracks will have literally 3-4 inches of water in them. The grass seems to drain very well. The top area where the Start/Finish etc. are located, is flat and fast, but the course does drop down to the NW corner, and there is a 500m gradual climb back up. The area is very exposed, almost no shelter, so winds can be chilling.
